

10/4/2024 Updates...

UPDATES:

The Chukker Creek gate lost power last evening which has halted efforts to repair it. **THE GATE WILL BE CLOSED UNTIL FURTHER NOTICE – PLEASE TAKE ALTERNATE ROUTES. YOU WILL NOT BE ABLE TO ENTER OR EXIT. Emergency services are aware but please reiterate this information!**

There are many county dumps open and taking bagged yard debris. In the helpful links section below, you will find a brochure for the various locations.

We have been made aware of vendors entering from out of state offering assistance. Please be diligent in researching your options and obtain multiple quotes to avoid price gouging.

We do not have an update at this time regarding debris haul off from The City of Aiken.

If you have a tree on your roof or on your property, regardless of where it has fallen from, you will have to **contact your private insurance** provider to assess damage and provide you with the next steps for remediation. The POA cannot remove what has fallen onto private property, even if fallen from a common area. This includes clubs (golf courses), private properties, and the POA common areas. The WPPOA Email process is for us to assess what is still at risk of falling.

PLEASE PUT YOUR DEBRIS IN YOUR YARD. NOT IN THE ROAD. Debris in the roadway is a major safety hazard. We will begin sending direct notices to those that have placed debris in the road with a warning. If debris is not removed, you may be assessed a fine. **PLEASE DO NOT MOVE YOUR DEBRIS TO COMMON AREAS OR ANY OF THE GOLF COURSES.** This will not expedite pick-up. These are private properties. If you place on the common area or golf courses you may be assessed a fine.

Below is a link to Senator Tom Young's website. Sign up to receive updates from him as he is sending daily reports with imperative information.

If you have a damaged streetlight on your property, or near your property, please use the wppoa@wppoa.com email to report the damage. We have already received a few and it is so helpful to have residents send in this information. We appreciate the assistance!

HELPFUL LINKS:

Below are links to various Facebook pages that are updated frequently with news from our area. If you know of any other resources that may be helpful to our community, please send them to the wppoa@wppoa.com email to update this list.

As we end this tumultuous week and look around us, the WPPOA feels very fortunate. We have damage but not nearly as extensive and devastating to communities around us. We would like to end the week on a high note and feature the incredible acts of kindness that have been noticed throughout Woodside. If you would like to share an experience you have had, or one you have witnessed, please email your input to www.wppoa.com to be featured on our website.
